Frequently Asked Questions

What is the application deadline?

December 31 is the recommended deadline for BSBA/MHRM applications. Contact the Graduate Programs Office if you plan to submit after December 31.

Should I take the optional GMAT/GRE?

You can choose to submit your application without GMAT or GRE. If test scores are not included, the rest of your application materials (i.e., grades, references, etc.) carry more weight. You may still submit a test score if it strengthens your application. If you submit test scores, we recommend sitting for either test no later than Dec 31 prior to the term for which you are applying.

What are the requirements to earn the MHRM degree?

You must maintain a 3.0 cumulative GPA during the program while earning 39 credits over the three semester program. There is also a required internship you will complete during the summer term in between your second and third semesters in the program.
