

Full-Time MBA

Transform your career trajectory with an MBA from The Ohio State University
Max M. Fisher College of Business

Fisher's Full-Time MBA connects tomorrow's business leaders with the hallmarks of the Fisher experience: an immersive and rigorous curriculum, tailored professional development and career services, and access to the depth, breadth and reach of one of the largest universities in the nation.

AN MBA EXPERIENCE TAILORED FOR YOU

From Pre-Term through graduation, Fisher's MBA program will prepare you with the technical and soft skills required to succeed in the global job market. Comprehensive and relevant wrap-around supports enhance Fisher's highly experiential curriculum, including:

- Evidence-based personal assessments
- Individualized leadership development plans
- Award-winning advising and career services
- Professional development programming
- Real-world business projects domestically and abroad

DEFINE YOUR PROFESSIONAL PATH

Career and Industry Immersion Academies introduce MBA candidates to relevant career pathways while deepening industry knowledge and facilitating meaningful connections to companies through excursions, real-world projects, internships, and networking events. Connect with experts and develop your business acumen in the following specialization areas:

- Finance
- Marketing
- Operations, Analytics and Supply Chain
- Strategy, Leadership and Consulting
