Practicum (Internship or Tutorial) vs. Thesis

Most MHRM students pursue the practicum option with a summer internship or tutorial in a current role. Students looking to gain research experience can instead choose the thesis option.

When are core MHRM classes?

Core classes are offered Monday through Thursday from 6:15 p.m. to 9:30 p.m. ET. *The exception is the Contemporary Topics in HR & Professional Development course, which meets four times a semester for class on a Friday from 8 a.m. to 12 p.m. ET.

** Elective offerings vary from semester to semester, but some popular options include a Coaching Series, Negotiations, Technology and Innovation, Data Analysis and Visualization, and Leadership Effectiveness through Applied Projects (LEAP).

†Ohio State Fisher College of Business undergraduates majoring in human resources can waive out three courses (9 credit hours) and replace them with electives.
