*The Contemporary Topics in HR & Professional Development course (1 credit hour each semester) meets from 5 – 6 p.m. one day a week. The coursework is tailored to your practicum or thesis selection.

** Updated elective recommendations including a Coaching Series, Negotiations, Diversity and Inclusion, and Leadership Effectiveness through Applied Projects (LEAP). Some students may decide to split their summer electives over two semesters.

†The part-time curriculum above is a typical suggestion for a spring start. Most students start in the autumn. Only part-time, domestic students have the option to start in the spring. Part-time MHRM students can take up to six years to complete the degree. View the suggested curriculum for a part-time autumn start at go.osu.edu/mhrm-curriculum.

‡Ohio State Fisher College of Business undergraduates with a major in human resources can waive out of these three courses (9 credit hours) and replace them with electives.
